I like to be licked from the tip of my red hair to my red painted toes. If a guy can do that for me, stopping halfway down, then most likely he'll get breakfast in the morning. I really like foreplay because if a guy can turn me on before sex, then the sex will be more intimate and explosive. If he can't do that, then he should get his butt out.

Cock a Doodle Do

I met the man I love, George, about 22 years ago. I was on my way back to my job. There was no one on the street because everyone was trying to get home.

I saw him at the same time he saw me. I stopped and looked around and his car was still standing at the curb. I walked back to see what he wanted.

He opened the door, so I got in and he drove away. After he found a place he wanted, things began to unfold. First he took out my right tit and sucked it like a baby. It made me so hot, and then we got in the back seat.

He wanted to fuck me the regular way; but I wanted to be the one on top. He said he'd never done it that way because the women he had before me said he was too large and he might split them. I was the very first one who would let him do it that way.

I took every inch of that extra-large cock of his in my pussy all the way. He loved it. There are other ways, too, but that is the best way for me. I just love it. His cock is so deep inside of me.

That way, his cock can't slip out of me and I get all his cum, which is so rich and so good. Of course, I also suck his cock. How I get that thing in my mouth I don't know, but I do.

Thank you for allowing me to share this with you and your readers.

– E.M., Riverhead, New York

Garden Tool

I've been a show-off most of my life. And my husband is an avid watcher himself who enjoys seeing me finger my twat as a prelude to passionate fucking.

Lately, I've become enamored with the idea of showing myself off again. But because I never allow my exhibitionism to go any further, I feel I'm faithful to my husband. The first time I tried it was a week ago.

I was sunbathing in the back yard and loosened my bikini top. My full bosom seemed to spill out of the swimsuit. Lonny, a freshman at the local community college, was busy mowing his parents' lawn when I called him over. I asked how he was doing at school. He stood by the lounge chair in cut-off jeans.

His hairy legs and bare chest dripped with sexy perspiration. As we spoke, I noticed his fascination with my tits. I bathed in his hot attention and purposely sat up, knowing full well the loose bikini top would fall. And when it did I remained silent, watching Lonny watch me.

His dick bulged beautifully and I wanted so desperately to reach out and touch him just then. Feigning surprise and embarrassment, I covered my tits—but not before

he had a lusty eyeful.

In the days that followed, Lonny became the complete gardener. There was little grass left after his constant mowing. He'd trim the bushes bare that separated our yards. And he always looked up to say hello and grab another peek at me. I gave him that and more only yesterday.

Pretending I didn't notice him, I stood up from the lounge chair and went inside. Once there, I moved in front of my bedroom window. Checking to make sure he was still there, I stripped completely and exposed myself to his bulging eyes.

Strip Poker

Last year my wife and I were vacationing in Arizona. We're both in our early forties and toonight we're out to dinner with some snow bird friends and after a couple bottles of a nice chardonnay, we were all feeling a little tipsy and a little friendly.

Gloria and Michael were old friends of ours from Michigan and moved to Arizona a couple years ago to escape the cold. We have visited them a couple times and have always had fun.

But this time it was going to be a little different. We went back to their place to play cards as usual, but this time Michael suggested we play poker instead of bridge. We said fine and he broke out some more drinks with the cards. We played a couple of hands and my wife, Lesley, won both of them.

Then Gloria suggests we play strip poker. Lesley and I looked at each other and I said I was game if she was. Initially, she was a bit hesitant but after winning the first couple hands, she felt confident she could win more and wouldn't have to show too

much of her beautiful assets.

I knew Michael had eyes for Lesley, and I kinda had a hard-on for Gloria over the years, so I was all for it. Now, with little to hold us back, some of that old excitement was returning. Gloria dealt the first hand and Lesley won again.

We all took off a small piece of clothing and had another round of drinks. Four more hands and we were all down to our civvies. I had on a t-shirt and boxers, Lesley was in her bra and panties, Michael was just in boxers, and Gloria was left playing in her pink teddy.

It was now my turn to deal. We were drinking and laughing as more bets were made. Michael won and I dropped my shirt, Lesley her top, and Gloria stood up and started a little dance as she began to undo the laces on her teddy.

All of a sudden Lesley got up and started to help her. She reached down between Gloria's legs and undid the snaps. Together, they pulled the teddy up and off Gloria. Throwing it over to me, I caught it and twirled it around, egging the girls on.

As Michael and I looked on, they started kissing each other and Gloria reached

40+: *That's nice of you. But... why?*

Phoenix: 'Cause I wanted to share my experiences and techniques to help newbies understand and learn to enjoy it. It can be very pleasurable, if done right. I felt that, with my large following, many of them would want to try it but are afraid, for all sorts of reasons.

40+: *Can you elaborate a bit for our readers.*

Phoenix: Sure. The very first and best thing is to learn to relax, especially the sphincter. Have your partner, or yourself, lightly rub around the anus to get used to the nice sensations.

around and undid Lesley's bra and then pulled down her panties, throwing them to Michael. She then gently pushed Lesley onto the table and grabbed her knees to spread them. She lowered her head into Lesley's crotch and begins to lick her. Michael and I watch as Gloria licks and sticks her fingers inside my wife's wet pussy. Michael looks back at me with a big thumbs up.

I get up first and position myself behind Gloria. I drop my drawers and slip my cock inside her as she continues to lick Lesley. Michael saunters over beside Lesley and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Michael and I grab a couple of the wine glasses from the table and toast each other. Gloria then stands up and pulls me out. She seats herself next to Lesley on the card table and motions me to continue fucking her as she opens her legs and gets into position to receive my cock.

He takes advantage of the change and moves around to drop between Lesley's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I obligingly fuck his. Lesley tells him to get off and lay down on the table. He does and she proceeds to rub him back to a hard erection.

Her mouth works hard on his cock and he's finally rock hard again. I'm still fucking Gloria and she begins to moan that she's cumming. I pump harder and feel her waves of orgasm as she bucks and shakes the table. Michael's cock seems to have made a miraculous recovery and Lesley brings him to climax taking his jizz in her mouth and then spitting it into one of the wine glasses.

It seems that both of our friends have cum, so Lesley and I are left to finish ourselves, but she says she's still real horny and wants to finish back at our hotel room. We quickly gather our stuff and drive the mile back to the room, jump into bed and fuck

our heads off. In the morning we called our friends to see how they are.

Gloria says they are both fine and had a great time last night -- just like the eighties all over again. We agreed and said that we should do it again next time we come to Florida. They said the invitation is always open. I think we're going to plan another trip here next month.

— Mike N., Detroit

Temptation in the Pages

I'm a forty-three year old man and I love all women. When I saw your pictorial of Dylan, I fell in love all over again for the tenth time. She's really hot. Got some nice meat on her bones. Great boobs and a nice round ass. All of which is more than I deserve, but she was great to look at. I like her short dark hair and dark skin, and all I saw tempted me even more.

I've had my share of women and I loved them all. And very well I might add. Their boobs are usually fake, but that's okay by me. I now am so used to it that it has become the norm. But Dylan is quite the hottie. She seems the kind I'd like to settle down with. That is, after I've had another ten more women in my bed.

— Bryan, Dallas

Be sure to have some good lube especially for back there. Then, slowly, insert a finger or a thing toy an inch or so until your uscles accept it and relax.

40+: And then...

Phoenix: Remove finger or the object and insert again. Keep doing that until you feel that your butt hole can take it... You seem too excited. Perhaps it's best to go online for more!

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. HOLLY & MARC

I'm very selective when it comes to being with a good man. He has to have everything that I look for in a man, and that's a long, long list. I just can't settle for any man. He's got to look good in and out of his clothes. I don't want to be with a guy just to avoid being alone. I'm a fun girl and lonely is not in my dictionary.

REGAN
& TALON

Ever since I had my first anal sex, I admit I've become a bit of a back door freak. I like having all kinds of sex with all kinds of people. I like it deep in my mouth, and deep in my pussy, but I especially like it (yes, you guessed) deep in my butt. Today, I won't let an entire encounter go by without a dip or two into my tight butt hole.

NOW WE CAN HAVE SOME REAL FUN

TV Hookup

I hooked
up her new
TV—and
wired her
friend
as well

Susan asked me to come over and help her hook up her new TV. I work for one of those so-called “big box” stores, so a lot of my buds call me when they need help. But at least with Susan, I knew that when I was finished setting her up she’d show her appreciation in a very physical way.

When I got to her apartment I saw that Susan’s girlfriend Cheryl was hanging around. Cheryl is short and skinny; she looked like a tomboy in her sweatshirt and jeans. Her jeans were as tight as a second skin, but she didn’t have much of an ass to show off, and her sweatshirt hid the bumps she called tits. She looked like a little kid, but no kid ever had her big mouth.

On the other hand, Susan is five-foot ten inches of luscious, long-legged beauty. She likes to wear dresses or suits with a skirt and jacket. That day she had on a tight, straight skirt with a cream-colored blouse. Her melon-shaped breasts were straining to be free of her bra, and if I knew Susan she’d be wearing a thong under her skirt.

We were all sitting on the living room rug as I rushed through the process of hooking up the video cam. My idea was to get Cheryl out of there and show Susan how to stream some porn.

I was in the center. Cheryl sprawled on one side, making smart ass remarks. Susan was sitting on the other side of me, her legs primly tucked under her skirt, egging her on. They started teasing me about how I had all but the top button of my shirt fastened. “I bet he’s even wearing an undershirt,” Cheryl said. She reached over and unbuttoned a couple more buttons and looked down the front of my shirt. All she saw was my hairy chest.

I decided to be just as forward. “What do you have on under that?” I asked Cheryl, as I reached over and pulled open the neck of her sweatshirt. I could see her little tits poking through a thin bra that she didn’t need for support. “Why are you wearing a bra?” I asked. “I would think that a hot bitch like you would go braless. Those tits aren’t worth hiding. Now these are tits that can turn a guy on.”

I reached over and cupped one of Susan’s melon-sized orbs in my hand. Moving around to the back of her, I filled both of my hands with Susan’s best assets. “These are tits that are worth grabbing. Look how you can see through her thin silk blouse. You can see every swirl of her lacy bra. I like to pull the fabric of her blouse tight over her bra, and slide it back and forth. Then her nipples will jut out so I can fondle them.”

We were all sitting on the living room rug as I rushed through the process of hooking up the video cam. My idea was to get Cheryl out of there and show Susan how to stream some porn.

BLAIR-NTS-00

Cheryl was between Susan's legs, and as I watched she pulled aside Susan's thong and stuck her fingers into that dripping pussy.

As I was talking my hands were doing just that. Susan didn't know whether to be embarrassed at Cheryl seeing me feel her up, or happy because I like her body better. Whatever; her body was responding to my caresses. She was leaning back against me, putting so much strain on her blouse that gaps appeared between the buttons. It only took a flick of my finger to pop them open. Then I pulled her blouse down over her shoulders, pinning her arms behind her. "Come over and feel what kind of tits really turn a guy on," I said to Cheryl.

She didn't have to think twice. She lunged over and grabbed two handfuls of those straining mounds. I then undid the three hooks of her bra. Those tits burst out with their nipples sticking up, waiting to be sucked. They didn't have to wait long; Cheryl was all over them. I let go of Susan, and grabbed her breasts with both hands, pulling them up to Cheryl's mouth. Cheryl was licking the nipples I held out to her, and I could feel her tongue as it also licked my fingers in the process.

Susan had stopped writhing, so I let her go and moved around to Cheryl. I pulled her sweatshirt over her head as she continued licking and sucking on Susan's tits. It seemed that she couldn't get enough of them. Her hands were filled with those luscious mounds as her mouth covered them with kisses.

From behind, I grabbed Cheryl's tits with both hands, and I could feel her hard nipples right through her thin black bra. I was now overdressed, so I took off my shirt too. Then I moved back and forth between them, touching here, licking there, finding the best place to stroke and fondle.

"It's easy for you girls to see if I'm excited," I said to Cheryl, looking at my bulging pants. "Do you know how to find out if Susan is aroused? I reach up her skirt and feel if her crotch is wet. Why don't you see if she's turned on now?"

At this Cheryl's hand darted up Susan's skirt, which was still primly down around her knees. Susan tried to get away, but I was in back of her again, and I pulled her down on her back holding her by those beautiful tits of hers. I watched as Susan worked on Cheryl.

Cheryl was wrestling with Susan's legs, trying to either get her hand up Susan's skirt, or pull it up to expose her panties. If Cheryl's hand moved between Susan's legs, she'd clamp them shut. But then Cheryl would pull up her skirt with the other hand. If Susan spread her legs to hold her skirt in place, Cheryl would thrust her hand between her legs, trying to feel up her pussy.

Soon Susan's skirt was up high enough to see that she was wearing a red silk thong. You could see her dark mound of curly hair, and Cheryl's hand was stroking the large wet spot where her pussy had dripped its love juice. Cheryl was between Susan's legs, and as I watched she pulled aside Susan's thong and stuck her fingers into that dripping pussy. I reached down and stuck my hand in from the top. Our fingers both took turns slipping in and out of her love box, as Susan thrashed around in pleasure.

As we finger-fucked Susan, Cheryl's other hand was stuck down her unzipped jeans. She had one hand up Susan's snatch and the other up her own. Every now and then she'd switch hands. That looked like fun, so I decided to do it too.

Susan no longer needed to be held. In fact, she had raised her ass and pulled her skirt and slip up around her waist to give Cheryl a better position. I went around and pulled Cheryl's jeans down to her knees. She wasn't wearing

panties, so I moved back and forth, first getting my fingers wet from Susan's pussy, then sticking them into Cheryl's tighter snatch.

My dick was so hard it hurt as it pressed against my pants trying to join the fun. I stepped back and took off my pants and shorts. While I did that Cheryl pulled off Susan's panties, and kicked off her own jeans. She then started licking Susan's pussy. What a sight: Susan on her back, with her knees up and legs spread. Her blouse was undone with her skirt and slip up around her waist. She was still wearing that thong, but it had slipped down around her thighs and one of her high-heeled shoes was off. Cheryl, naked except for the bra she still had on, was kneeling between Susan's legs and eating her pussy. I could hear the sucking noise as she lapped at Susan's juices.

They were both busy, but my dick wanted to join the action. I straddled Susan and faced Cheryl as she was bending over eating Susan's pussy. I grabbed her head and stuck my throbbing manhood into her tight nest of curly hair. It was a strange sensation. I fucked her hair while Cheryl got Susan to come by licking her with her tongue.

When Susan stopped thrashing under me, Cheryl leaned over, holding herself up with one hand, while the other was stuck in Susan's snatch. I thrust as much of my prick as I could into her mouth, and played with Susan's tits as Cheryl sucked me. She might be skinny, but man could she give head. I felt her tongue working around the tip of my dick, and the alternating suction and pressure as she sucked and then let go was sensational. Then she stopped, stood up, and thrust my member deep inside her own tight pussy. I was still straddling Susan, so she sucked my balls as I sat on her face. I could feel Cheryl's wetness running down my leg and Susan's fingers as she rubbed her hands in it.

"I want to suck her," Susan said, so I pulled my dick out of Cheryl to let her sit on Susan's face. Susan lapped at her box, as I moved down and stuck my throbbing rod into Susan's now gaping love hole. To do that I had to lay on top of both of them, with my face next to Cheryl's ass. I knew that what I wanted was to fuck Cheryl in the ass. I pulled my dick out of Susan's pussy, and stuck my finger in to get it wet. Then I rammed it up

Cheryl's hole as far as it could go.

Grabbing my pulsating member, I rammed Cheryl's asshole as hard as I could. It was a good thing I was as hard as a rock, because it was the tightest thing I ever fucked. Susan's juices gave me the lubrication I needed, but that little hole was tight. First I got the head of my prick in, then with one hard thrust I stuck all seven inches up her ass.

Cheryl cried out, first with pain and then with pleasure, as I started to pull out then push back in with long slow strokes. "Fuck me harder," Cheryl urged me on.

I plunged in again and again. Now Cheryl was bucking and thrashing about. I felt my cum shoot deep inside her ass as Cheryl squealed with delight. She collapsed on top of Susan, and I pulled my now softening dick out. Crawling over the top of both of them, I milked the last drops of cum from my prick and let them fall into Susan's open mouth.

All three of us were exhausted, and lay together on the rug. As we rested, one or the other of the girls would reach over and stroke me or touch one another occasionally. I just laid there wondering what the rest of the night was going to be like.

I stepped back and took off my pants and shorts. While I did that Cheryl pulled off Susan's panties, and kicked off her own jeans.
